

Dear Colleagues

The British Council in collaboration with Department of Science and Technology (DST) and Department of Biotechnology (DBT) has invited applications for funding of short term placements for PhD scholars in United Kingdom (UK) and Indian institutions.

The PhD placement offers funding to Indian and UK PhD scholars for a period of 2-4 months of their research at any UK or Indian higher education institution.

In UK, the scheme is open for UK scholars pursuing their PhD at higher education institution.

In India, the scheme is open for Indian scholars enrolled at higher education institution with following criteria:

- -INSPIRE PhD Senior Research Fellows (SRFs) of Batch 2015 - STEM and Life Sciences.
- -PhD Scholars (other than INSPIRE Fellows) who have qualified through a national level test and are pursuing PhD in mid second or third year of Life Sciences. The following national level tests are considered: CSIR/UGC-NET, GATE, BET, ICMR-NET, ICAR-NET

Kindly visit the following link to find details on call guidelines, eligibility criteria, application procedure, contract requirements and funding:
