Subject: Newton Bhabha Fund Researcher Links Workshop Grants - Call announced \*Newton Bhabha Fund Researcher Links Workshop Grants\*

**\*Submit your proposal by 8 June:\***

British Council in collaboration with Royal Society of Chemistry has announced Newton Bhabha Fund Researcher Link Workshop grants to bring together early-career researchers from India and the UK to make international connections that can improve the quality of their research.

**\*What are we looking for?\***

Leading or Established researchers defined by \*European Framework <http://southasia-india.cmail19.com/t/y-i-kyuiult-l-y/> \* definitions, are invited to apply. If your application is successful, grants will be provided to attend the workshops.

**Proposals in the following areas are invited :**

**\*Human Health\*** eg. Antimicrobial resistance, neglected diseases, medical chemistry, bio-materials, HIV/AIDS, malaria, tuberculosis, neglected tropical diseases, child mortality, maternal health

**\*Energy\*** e.g. sustainable fuels, chemicals and energy storage.

**\*Climate, Environment and Sustainability\*** e.g. climate change, green technology, sustainable development, ecosystem services, resource scarcity, new materials, nanomaterials, water quality, climate, agriculture, air.

**\*Sustainable energy\*** for all

**\*Water and sanitation\***

**\*Food and nutrition\*** (including food security)

- Research with relevance to the above areas at the Chemistry-Biology interface, the Chemistry-Materials interface and the Chemistry Environmental Science interface

**\*Apply by 8 June\***
