

Indian Institute of Technology, Delhi
Industrial R & D Unit

No:- IITD/IRD/M-124/2018/ 14357

Date:- 11/9/18

Sub: Early-Doc. Fellowships

The Competent Authority has approved the following scheme of 'IRD Early-Doc. Fellowship':-

1. 'Early-Doc. Fellowship' will be given to full time Ph.D. students of IIT Delhi (including those getting scholarship from projects) for a period of three months after the completion of Ph.D. viva with a monthly stipend of Rs. 40,000/- (including HRA).
2. Ph.D. Scholar will submit a proposal on the work to be completed or preparation of manuscripts to The Supervisor. On the recommendation of the Supervisor and HoD/HoC, Dean (R&D) will approve the 'Early-Doc. Fellowship'. The Supervisor can initiate a three month contract for Ph.D. scholar in IRIS (Early-Doc. appointments).
3. As the HRA component stands included in the monthly stipend, they are expected to find accommodation outside the campus.

(V.K Vashistha)
