**Sub: Inviting Research Proposals under R&D funding of Coal India Ltd.**

Dear Sir,

Coal India Limited (CIL), a Maharatna Company, has a full fledged in house Research and Development (R&D) set up with a vision to promote R&D in emerging and challenging areas of science and mining technologies for improvement in coal exploration, production, productivity and safety in coal mines, coal beneficiation and utilization and protection of environment and ecology including introduction of new technologies and techniques in the area of mining, strata control and mine communication etc.

CIL is providing substantial funds annually to support the above research activities in the command areas of CIL involving research and academic institutions.

In order to strengthen R&D efforts of CIL and to encourage wider participation by different agencies, we are inviting leading academic and research institutions who can take up need based research work for overall benefit of coal industry.

In this context, we would welcome the participation of institution / organization like yours by submitting suitable R&D proposals to the address given below, for consideration of CIL.

Director Technical (RD&T)
