Sub.: Selection Committee meetings for holding various selections under IRD projects

The new recruitment policy is in operation since January 2014. There is a provision that Chairman / Chairperson of the Selection Committee will be the Chairman DRC/CRC of the concerned Deptt. / Centre.

It has been found on various occasions that selection committee member(s) remain absent on the day of interview. The Competent Authority has viewed it seriously and has desired that the Chairman / Chairperson of the Selection Committee or the PI of the concerned project must ensure replacement of selection committee members well in time so that all selection committee members are available in the meeting of the Selection Committee.
