

Indian Institute of Technology Delhi
Industrial Research & Development

No.IITD/IRD/M-162/ 693

Dated: 21/01/2013

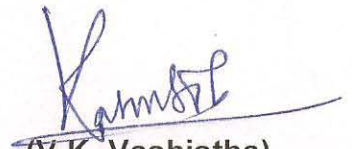

Subject: Technology Development Project Initiation Award Scheme(TDP-IAS)

IRD Unit invites proposals from UG/PG students once in the beginning of each semester since 2006 under the above scheme.

The subject scheme was launched to promote innovative technology projects among students.

The student co-curricular activities (including Exchange Cell, Technocracy, Automobile Club, Robotics Club, Entrepreneurship Development Cell, Tryst etc.) have now been integrated to function under the 'Co-curricular and Academic Interaction Council' (CAIC). IRD has facilitated its functioning by funding it as an MI project (MI00995) titled "**Co-curricular and Academic Interaction Council (CAC) for the Academic Year 2012-13**" under Dean (Academics) - Prof. Anurag Sharma with effect from the Academic Year 2012-13. **Therefore, the scheme 'Technology Development Project Initiation Award Scheme' (TDP-IAS) funded by IRD stands discontinued with immediate effect.**

This has approval of the Competent Authority.

(V.K. Vashistha)
Asstt. Registrar,IRD

1. All Head of Deptts/Centres
2. All faculty by e-mail.
3. All Hostels.
4. Notice Board of Deptts/Centres/Central Library.
