It has come to the notice that most of the purchases from the vendors are billed in the name of Individual or Faculty members as per present practice. Due to implementation of GST, it is a statutory/mandatory requirement that:-

1. The buyer must provide IIT Delhi GST Number i.e. **07AAATI0393L1ZI** to the vendor at the time of procurement for onward incorporation of GST number on the bill.
2. It is also advisable that Procurement to be made from the GST registered vendor only.
