

### **IRD Early-Doc Fellowship**

IRD Early-Doc fellowship scheme is to support Ph.D. students after the successful completion of Ph.D. Viva Examination. The main objective is to support the Ph.D. Scholar for completing the manuscript writing related to thesis work. The fellowship will be given to full time Ph.D. students of IIT Delhi (including those getting assistantship from projects) for a maximum period of 3 months w.e.f. the date of his/her Ph.D. Viva with a monthly fellowship of Rs. 40,000/- per month (including HRA). As HRA is included in the fellowship it is expected that student will make arrangements for accommodation outside the campus.

Ph.D. Scholar will submit a proposal on the work to be completed or preparation of manuscripts to the Supervisor, based on the recommendations of the Supervisor and Head of the Academic Unit, IRD will approve the Early-Doc Fellowship.
