Advertisement No.: IITD/IRD/328/2026

Applications from Indian nationals are invited for project appointment under the following project. Appointment shall be on contractual basis with consolidated pay, renewable yearly or upto the duration of the project, whichever is earlier. निम्नलिखित परियोजना के तहत भारतीय नागरिकों से आवेदन आमंत्रित किए जाते हैं। अपॉइंटमेंट, अनुबंधित आधार पर समेकित वेतन, नवीकरणीय वार्षिक या परियोजना की अवधि तक, जो भी पहले हो, के साथ होगा.

Title of the Project	Maintenance of the Network facilities at the IIT Delhi. (IM00033G_RB)	
Funding Agency	Planning Unit IIT Delhi	
Name of the Project Investigator	Dr. Ajay Guleria [email ID: nwproject@cc.iitd.ac.in]	
Deptt/.Centre	Computer Services Centre	
Duration of the Project	Upto:30/06/2031	
Post (s)	Consolidated fellowship / Pay-slab	Qualifications
Sr. Project Assistant (Tech.) – 02	Rs. 47,790 - 49,220 - 50,700 - 52,220 - 53,790 - 55,400 - 57,060 - 58,770 - 60,530 - 62,350 /-p.m. plus HRA @27%	**Qualification:** Candidates must meet either of the following criteria: • Postgraduate: Master's degree in computer science, Information Technology or an allied technical discipline, including M. Tech, MCA or M.Sc. (Computer Science/Information Technology), with at least 3 years of relevant post-qualification work experience OR • Graduate: Bachelor's degree in computer science, Information Technology or an allied discipline, including B.Tech, B.E, BCA or equivalent qualifications, with at least 5 years of relevant post-qualification work experience. • **Relevant Experience**: Experience in managing, operating, troubleshooting and maintaining computer networks, network infrastructure and associated services. Experience in Government organizations, particularly higher educational or technical institutions, will be desirable. • **Preference:** Candidates having demonstrated experience in operating and maintaining largescale campus networks and IT infrastructure in IITs, NITs or other universities and educational/research institutions of comparable scale and complexity will be preferred. **Desired Experience:** • Hands-on experience in the deployment, implementation, administration and troubleshooting of enterprise-grade network infrastructure, including routing, switching, VLAN, VPN, VXLAN, and protocols such as EIGRP, OSPF, BGP and PIM. • Practical experience in network security, including firewall administration, configuration, security policy management, upgrades, troubleshooting and VPN security. • Experience in network authentication and access control technologies, including RADIUS, AAA and 802.1X. • Good understanding of essential network services and protocols, including DHCP, DNS, IP Address Management (IPAM), IPv4 and IPv6. • Experience in enterprise wireless network planning, deployment and troubleshooting, including RF site surveys, coverage and capacity planning, interference analysis and performance optimization. • Experience in network monitoring, performance analysis, fault diagnosis and troubleshooting of large-scale campus or enterprise networks, including coordination with vendor Technical Assistance Centre (TAC) teams. • Exposure to security operations, including security monitoring, log analysis, vulnerability assessment, identification of suspicious network activities and security incident handling. Knowledge of penetration testing and security auditing using industry-standard tools will be an added advantage. • Understanding of optical fibre backbone infrastructure, including termination, splicing, testing, troubleshooting and link commissioning. • Experience in maintaining technical documentation, network configurations, topology diagrams and infrastructure inventory records

Project Assistant (Tech.) – (06)	Rs. 39,420 - 40,600 - 41,820 - 43,070 - 44,360 - 45,690 - 47,060 - 48,470 - 49,920 - 51,420/-p.m. plus HRA @27%	**Qualification:** Candidates must meet either of the following criteria: • Master's degree in any discipline with at least 1 year of relevant experience post-qualification. OR • Bachelor's degree in computer applications or a relevant technical discipline, with at least 3 years of relevant work experience **OR** • ITI or Diploma in a relevant technical discipline, with at least 8 years of relevant work experience • Experience working in Government organizations, preferably in higher educational or technical institutions. • Candidates having experience in managing or maintaining large-scale campus networks in institutions comparable to IITs, NITs or other reputed universities will be preferred. **Desired Experience** • Basic knowledge or hands-on experience in enterprise network administration, planning, and implementation of LAN, Wifi and Optical networks • Basic knowledge or practical exposure to network authentication and access control technologies, including RADIUS, AAA and 802.1X. • Understanding of network services such as DHCP, DNS, IP Address. • Basic knowledge in routing and switching, switch configuration, rack mounting. • Familiarity with enterprise Wi-Fi technologies, wireless network installation and maintenance, RF surveys, Field operation and user support. • Familiarity with enterprise GPON (FTTH) technologies, installation and maintenance, Field operation and user support. • Familiarity with enterprise LAN technologies, installation and maintenance, Field operation,and user support • Experience of field operation, user support for various type of network complaint • UPS and related activities. • Documentation, Configuration, Inventory record keeping. • User support for VPN, Network related issues for Windows, Linux, Mac and mobiles.
Jr. Project Assistant (Tech.) – (03)	Rs. 29,290 - 30,170 - 31,080 - 32,010 - 32,970 - 33,960 - 34,980 - 36,030 - 37,100 - 38,220/-p.m. plus HRA @27%	**Qualification:** Candidates must meet either of the following criteria: • Bachelor's degree OR • 3-year Diploma in a relevant technical discipline OR 2-year ITI certification in a relevant trade,with at least 06 years of relevant work experience • Experience working in Government organizations, preferably in higher educational or technical institutions. • Candidates having experience in managing or maintaining large-scale campus networks in institutions comparable to IITs, NITs or other reputed universities will be preferred. **Desired Experience** • Network device installation and maintenance. • Maintenance, Cabling and patching of Network electrical points. • Work experience on Mounting, removal and maintenance on high ceiling. • Desktop support and user complaints, windows, Linux, Mac. • Various support activities line inventory management, keeping records, inventory movement and maintenance. • UPS and related activity.
Project Attendant – (03)	Rs. 26,860 - 27,660 - 28,500 - 29,360 - 30,240 - 31,150 - 32,080 - 33,040 - 34,030 - 35,050/-p.m. plus HRA @27%	**Qualification:** 10+2 class passed + 1 year desired experience. **Desired Experience:** • Support for various network-related activities. • Cable Laying, trenching, installation of various network equipment's • Work experience on Mounting, removal and maintenance on high ceiling. • Multiple Types of network related task along with coordination with superior team members. • Desktop support and user complaints.

The candidates who are interested to apply for the above post should download **Form No. IRD/REC-4** from the IRD Website **(http://ird.iitd.ac.in/rec)** of IIT Delhi and submit the duly filled form with complete information regarding educational qualifications indicating percentage of marks/division, details of work experience etc. **by e-mail with advertisement No. on the subject line to Dr. Ajay Guleria at email id: nwproject@cc.iitd.ac.in**

IIT Delhi reserves the right to fix higher criteria for short-listing of eligible candidates from those satisfying advertised qualification and requirement of the project post and their name will be displayed on web link (**http://ird.iitd.ac.in/shortlisted**) alongwith the online interview details. Only short-listed candidates will be informed for online interview. In case any clarification is required on eligibility regarding the above post, the candidate may contact **Dr. Ajay Guleria at email id: nwproject@cc.iitd.ac.in**

5% relaxation of marks may be granted to the SC/ST Candidates. In case of selection of a retired/superannuated government employee, his/her salary will be fixed as per prevailing IRD norms. अनुसूचित जाति / अनुसूचित जनजाति के उम्मीदवारों को अंकों की 5% छूट दी जा सकती है. एक सेवानिवृत्त सरकारी कर्मचारी के चयन के मामले में उसका वेतन वर्तमान आईआरडी मानदंडों के अनुसार तय किया जाएगा।
The last date for submitting the completed applications by email is 14/12/2026 by 5.00 p.m.
