

Dear Colleagues,

This is related to the announcement of 'Research Internships in Science and Engineering (RISE) Worldwide' for the year 2019 by DAAD.

Under this programme scheme, Indian research groups, laboratories and professors employed by or affiliated with an accredited academic institution or non-profit research institution, working in the field of science and engineering can apply to invite and host a motivated and well-qualified undergraduate student from Germany as a research intern in their proposed research projects in India.

The timeline for registering online under this programme is from 1st September till 15th October 2018.

The selected German interns will be awarded the DAAD scholarship to cover insurance, travel costs and living expenses in India.

Detailed information about the RISE programme is available on the website:

<https://www.daad.de/rise/en/rise-worldwide/>

If you have queries regarding the above programme please contact:
