Dear Prof Shevgaonkar,

Wish you a happy & prosperous new year.

Armament Research Board (ARMREB) was constituted by Defence Research & Development Organization (DRDO) with an aim to encourage research in the areas related to Armament Technology. Accordingly, thrust areas of ARMREB were identified and defined to invite proposal for undertaking research project in these area by academic institutions.

Details of ARMREB, thrust areas and required formats are available at [www.drdo.gov.in/drdo/english/index.jsp?pg=armreb.jsp](http://www.drdo.gov.in/drdo/english/index.jsp?pg=armreb.jsp)

I request that wide publicity may be given to this and faculty may be encouraged to submit proposals for undertaking research project in the relevant areas. Further details and queries, if any, may be discussed with me.

With warm regards,

Yours Sincerely

*S. K. Rastogi*
