Dear Sir,

As you aware, capacity building initiatives at all levels play a very important role in the provision and management of water and sanitation services to rural community. The overall goal of the Human Resources Development efforts of Ministry of Drinking Water and Sanitation (MDWS) is to ensure improved community managed sustainable operation and maintenance of water supply and sanitation systems in project villages. In this context, in order to sustain the status of Nirmal Bharat, a concerted effort to build the capacity of all stakeholders of the programme is necessary. As a requisite for this, the Ministry of Drinking Water and Sanitation has recognised your Institute as Key Resource Centres (KRC) of Ministry to impart quality training to our project implementers, managers and stakeholders to effectively plan, implement, monitor and sustain the water supply and sanitation status of our villages.

2. As you know that the KRCs play an important role for the effective implementation of Water and Sanitation programmes in the States under NRDWP and NBA, therefore, the training calendar for the year 2014-2015 may be sent within 10 days of issue of this letter in the enclosed format.

With regards,

Yours sincerely,

Encl: As above
