IRD Student Startup ACTION

OBJECTIVE

Providing a supportive yet growing environment in terms of **recognition**, **initial seed grant** and **expert advice**.

- A group of students preferably in the final year and pre-final year of the B.Tech, M.Sc, M.Tech, Dual degree or Ph.D. programme can formulate a proposal.
- In the second phase, 25 proposals will be selected. The selected teams will be given a seed grant of ₹2 Lakhs.
- IP and other output generated by the startup will be owned by the startup team with 5% share/equity for the institute.
- The start-up team will have a faculty mentor to coordinate the activity.
- Information and form is available at IRD website (Information for students) at <http://ird.iitd.ac.in/IRD/Start-up-details-and-Form.pdf>
