Industrial R & D Unit

No. IITD/IRD/MI-1546/2018/ 16774

Date: 17.03.2018

The IRD Unit has a scheme of providing Project Administrative Assistant(PAA). PAA is given to a group of 5 PIs who have ongoing projects. At present about 100 PIs are utilising this facility. A number of PIs have indicated the difficulty in allotting space and coordination. Keeping in view, the Competent Authority has approved that one/ two extra PAA(s) may be allocated to Department/Centre and different PIs can utilise PAA for their IRD related work. The Head of the Department/Centre of the respective Department/Centre will be coordinating In-charge of PAA. The scheme allocation of PAA to a group of PIs will continue.

The above is issued for information of all HoDs/ HoCs to submit their requirements.
