CORRIGENDUM

Ref.: Advertisement No.: IITD/IRD/240/2023

This refers to the advertisement released for the posts of Project Assistant (Tech) under the sponsored research project entitled “Design and development of a photodiode-based melt pool monitoring system for real-time quality control in laser-based metal additive manufacturing and its allied processes” (RP04393G) in operation under Prof. Sagar Sarkar, Department of Mechanical Engineering of this Institute.

The last date of receipt of applications is hereby extended from 12/12/2023 to 03/01/2024.

The other contents of the released advertisement shall remain same.

This has approval of the Competent Authority.

Assistant Registrar, IRD

Distribution

1. Head of the Deptt./Centres/Units

   It is requested that the corrigendum in respect of above Advt. be brought to the notice of the staff working in your Deptt. / Centre/Unit

2. Notice Boards
3. Advertisement file
4. Prof. Sagar Sarkar, PI, Department of Mechanical Engineering
5. All Selection Committee members: for information
6. Webmaster IRD

   To put corrigendum at IITD website.
Applications from Indian nationals are invited for Project Appointment under the following project. Appointment shall be on contractual basis with consolidated pay subject to periodic performance review, and renewable yearly or upto the duration of the project, whichever is earlier. 

**Title of the Project:** Design and development of a photodiode-based melt pool monitoring system for real-time quality control in laser-based metal additive manufacturing and its allied processes (RP04393G)

**Funding Agency:** Science and Engineering Research Board (SERB)

**Name of the Project Investigator:** Prof. Sagar Sarkar  
[Email ID: sagar@mech.iitd.ac.in]

**Deptt./Centre:** Department of Mechanical Engineering

**Duration of the Project:** Upto 22/11/2024

| Project Assistant (Tech) (1) | Rs. 23,000/-p.m. plus HRA @ 24% | Diploma (3 years duration) in Engineering and Technology/ Graduate Degree (B.Sc) or B.Tech. in Mechanical/Production Engineering with minimum 3 years of relevant work experience in the area of 1. High power (kW) laser based material processing. 2. Laser based metal additive manufacturing. 3. Process monitoring using different sensors in laser material processing. The applicant should attach relevant documents with regard to the above experience along with the application.

The candidates who are interested to apply for the above post should download Form No. IRD/REC-4 from the IRD Website (http://ird.iitd.ac.in/rec) of IIT Delhi and submit the duly filled form with complete information regarding educational qualifications indicating percentage of marks/division, details of work experience etc. by email with advertisement No. on the subject line to Prof. Sagar Sarkar at email id: sagar@mech.iitd.ac.in

IIT Delhi reserves the right to fix higher criteria for short-listing of eligible candidates from those satisfying advertised qualification and requirement of the project post and their name will be displayed on web link (http://ird.iitd.ac.in/shortlisted) along with the online interview details. Only short-listed candidates will be informed for online interview. In case any clarification is required on eligibility regarding the above post, the candidate may contact Prof. Sagar Sarkar at email id: sagar@mech.iitd.ac.in 5% relaxation of marks may be granted to the SC/ST Candidates. In case of selection of a retired/superannuated government employee, his/her salary will be fixed as per prevailing IRD norms. 

The last date for submitting the completed applications by email is 11/12/2023 5.00 p.m.
