Applications from Indian nationals are invited for Project Appointment under the following project. Appointment shall be on contractual basis with consolidated pay, renewable yearly or upto the duration of the project, whichever is earlier. The advertised qualification and experience is for various specialist posts catering to the need of the project. The candidate may specialize in academic or clinical, teaching or research in the area of dental implantology and should be able to work for the design and development of next-generation dental implants with new mechanical design and surface modifications. Preference will be given to people with PhD in dental materials or implant design and development.

The candidates who are interested to apply for the above post should download Form No. IRD/REC-4 from the IRD Website (http://ird.iitd.ac.in/rec) of IIT Delhi and submit the duly filled form along with complete information regarding educational qualifications indicating percentage of marks/division, details of work experience etc. by mail with advertisement No. on the subject email id: nareshb@mech.iitd.ac.in

IIT Delhi reserves the right to fix higher criteria for short-listing of eligible candidates from those satisfying advertised qualification and requirement of the project post and their name will be displayed on web link (http://ird.iitd.ac.in/shortlisted) alongwith the online interview details. Only short-listed candidates will be informed for online interview. In case any clarification is required on eligibility regarding the above post, the candidate may contact Prof. Naresh Bhatnagar at email id: nareshb@mech.iitd.ac.in

5% relaxation of marks may be granted to the SC/ST Candidates. In case of selection of a retired/superannuated government employee, his/her salary will be fixed as per prevailing IRD norms. The last date for submitting the completed applications by e-mail is 22/04/2021 by 5.00 p.m. The shortlisted candidates who are called for interview should bring original certificates (both professional and academic) with a recent passport size photograph at the time of interview.

**Title of the Project**
Development of Dental Implants for Advanced and Critical Applications (Joint project with MAIDS- Malulana Azad Institute of Dental Sciences) (RP04015G)

**Funding Agency**
NMITLI, PP(D); Council of Scientific & Industrial Research (CSIR)

**Name of the Project Investigator**
Prof. Naresh Bhatnagar
[Email ID: nareshb@mech.iitd.ac.in]

**Deptt/ Centre**
Department of Mechanical Engineering

**Duration of the Project**
Upto: 31/12/2023
