Applications from Indian nationals are invited for Project Appointment under the following project. Appointment shall be on contractual basis with consolidated pay, renewable yearly if performance is satisfactory or upto the duration of the project, whichever is earlier.

**Objective of the project:** To oversee the Centre’s administration, and develop an outreach programme to showcase the Centre’s activities and build bridges among the public, academic, and private sectors Type of work to be performed as a project staff.

1. To oversee the Centre’s administration, including collaborating with IITD faculty & administration staff.
2. Plan the Centre of Excellence’s long-term goals and manage the day-to-day operations and finances.
3. Develop and maintain an annual operational plan for achieving the Centre’s strategic aims.
4. This plan should be drafted in close collaboration with ReNew and IITD stakeholders.
5. Organize roundtables & conferences, that bring together Faculty members & Renew management, and other stakeholders from the public, private, and academic sectors.
6. Develop and execute a coherent outreach plan for the Centre to have external impact including:
   a. Marketing the activities of the Centre research, through public reports, press releases, editorials, and in-person meetings.
   b. Help with outreach activities of CoE including consultations with Central Government Ministries, international institutions, regulators, NITI Aayog, etc.
   c. Development and maintenance of a compelling website showcasing the Centre’s activities.
   d. Creating newsletters on periodic basis for communicating the achievements of the Centre, as well as Renew’s strategic goals.
7. Creating and convening meetings of a Centre advisory board, which will oversee the Centre’s activities and enhance its external impact.
8. Coordination of currently running research projects funded through Renew’s Centre of Excellence.
9. Foster relation with IIT D administration to take care of regular administrative functions.
10. Liaison with govt and other academic institutions for partnership.

**What I am looking for in a candidate:** Excellent communication skills. Should be able to interact with global players & academic institutes independently. The candidate should have a good understanding of clean tech, sustainable development fields. Candidate should have a penchant to develop collaborations, within and outside IIT Delhi. Foster relation with IIT D administration and take care of regular administrative functions.
