Applications from Indian nationals are invited for Project Appointment under the following project. Appointment shall be on contractual basis with consolidated pay, renewable yearly or up to the duration of the project, whichever is earlier. The candidate will work in the cleanroom and use tools for growth, photolithography and etching. The candidate will also work on facet preparation of the devices. Other topics include lab characterisation of the devices. Prior experience in material sciences/photonics fabrication would be beneficial but is not necessary.

The candidates who are interested to apply for the above post should download Form No. IRD/REC-4 from the IRD Website (http://ird.iitd.ac.in) of IIT Delhi and submit the duly filled form with complete information regarding educational qualifications indicating percentage of marks/division, details of work experience etc. by e-mail to Prof. Amol Choudhary at email id achoudhary@ee.iitd.ac.in

IIT Delhi reserves the right to fix higher criteria for short-listing of eligible candidates from those satisfying advertised qualification and requirement of the project post and their name will be displayed on web link (http://ird.iitd.ac.in/shortlisted) along with the online interview details. Only short-listed candidates will be informed for online interview. In case any clarification is required on eligibility regarding the above post, the candidate may contact Prof. Amol Choudhary at email id: achoudhary@ee.iitd.ac.in. 5% relaxation of marks may be granted to the SC/ST Candidates. In case of selection of a retired/superannuated government employee, his/her salary will be fixed as per prevailing IRD norms. Applications from SC/ST candidates will be given relaxation as per Government orders.

The last date for submitting the completed applications by e-mail is 14/07/2023 by 5.00 p.m.
