Qualifications

Note that the qualifying exam can be relaxed by the selection committee in case of highly meritorious candidates.

- Demonstrated experience in computer vision research.
- Demonstrated experience in machine learning techniques including Deep Learning and Transfer Learning. Preferred.
- Candidates with past research experience in inter-disciplinary projects.

Key Responsibilities:

1) Reporting to the PIs at IITD and working collaboratively with the project team at IITD.
2) Conducting literature review.
3) Analysis of image and numeric data using state of the art machine learning techniques.
4) Conducting surveys and data entry and analysis.
5) Preparation of reports and papers.

The candidates who are interested to apply for the above post should download Form No. IRD/REC-4 from the IRD Website (http://ird.iitd.ac.in/rec) of IIT Delhi and submit the duly filled form with complete information regarding educational qualifications indicating percentage of marks/division, details of work experience. Interested candidates should apply with a cover letter, detailed CV and a coding sample etc. by e-mail with advertisement No. on the subject line “Project Scientist Application: Household Economic Status Prediction” to Prof. Ambuj D Sagar at email id: nananda@iitd.ac.in Please note this is a full-time on-site position and candidates must be able to commit to working full-time on the project and meet PIs in person.

IIT Delhi reserves the right to fix higher criteria for short-listing of eligible candidates from those satisfying advertised qualification and requirement of the project post and their name will be displayed on web link (http://ird.iitd.ac.in/shortlisted) alongwith the online interview details. Only short-listed candidates will be informed for online interview. In case any clarification is required on eligibility regarding the above post, the candidate may contact Prof. Ambuj D Sagar at email id: asagar@iitd.ac.in 5% relaxation of marks may be granted to the SC/ST Candidates. In case of selection of a retired/superannuated government employee, his/her salary will be fixed as per prevailing IRD norms. अनुसूचित जाति / अनुसूचित जाति के उम्मीदवारों को अंको की 5% छूट दी जा सकती है - एक तेजस्वित सरकारी कर्मचारी के पदके के मामले में, उसका तय देखा जाएगा और आईआरडी ग्राहकों के अनुसार तय किया जाएगा।

The last date for submitting the completed applications by e-mail is 20/09/2022 by 5.00 p.m.

It is requested that the contents of the Above Advt. be brought to the notice of the staff working in your Deptt./Centre/Unit.

To put advertisement at IITD website.
