Applications from Indian nationals are invited for Project Appointment under the following project. Appointment shall be on contractual basis with consolidated pay subject to periodic performance review, and renewable yearly or up to the duration of the project, whichever is earlier. Successful candidate will be appointed as Project Assistant (Tech) (1) for the project, which is entitled as Design and development of a photodiode-based melt pool monitoring system for real-time quality control in laser-based metal additive manufacturing and its allied processes (RP04393G).

**Title of the Project:** Design and development of a photodiode-based melt pool monitoring system for real-time quality control in laser-based metal additive manufacturing and its allied processes (RP04393G)

**Funding Agency:** Science and Engineering Research Board (SERB)

**Name of the Project Investigator:** Prof. Sagar Sarkar [email: sagar@mech.iitd.ac.in]

**Deptt./Centre:** Department of Mechanical Engineering

**Duration of the Project:** Upto: 22/11/2024
