CORRIGENDUM

Advertisement No.: IITD/IRD/032/2022

Ref.: Advt. No. IITD/IRD/030/2022 published vide No. IITD/IRD/RP04191G/8568 dt.02/02/2022

This refers to the advertisement released for the post of Research Associate under the sponsored research project entitled “Wearable soft robotics for Upper Limb Muscle Power Augmentation with BMI interface (DRDO JATC Project) (RP04191G) in operation under Prof. Sitikantha Roy, Department of Applied Mechanics of this Institute.

The last date of receipt of applications for the released post is hereby extended till 28/02/2022.

The other contents of the earlier released advertisement shall remain same.

Distribution

1. Head of the Deptt./Centres/Units
2. Notice Boards
3. Advertisement file
4. Prof. Sitikantha Roy, PI, Department of Applied Mechanics
5. Webmaster IRD
6. Dr. Harshita Bhatnagar, RD Coordinator (R&D) Wing

It is requested that the corrigendum in respect of above Advt. be brought to the notice of the staff working in your Deptt./Centre/Unit.
Applications from Indian nationals are invited for Project Appointment under the following project. Appointment shall be on contractual basis with consolidated pay, renewable yearly or upto the duration of the project, whichever is earlier. The project involves design and development of an exosuit, a soft wearable robotic device, for upper limb augmentation. The work is interdisciplinary and brings together researchers from various disciplines including control, brain-machine interface, biomechanics, materials, machine learning, and human physiology. Your role will be estimation of trajectory/torque using EEG/EMG signal for the exosuit/exoskeleton control, and BCI system prototyping.

**Why you would like to join:** 1. This is a one-of-a-kind project in the country on EEG based control for exosuit/exoskeleton. 2. You will have an opportunity to interact with an interdisciplinary team of scientists having background as diverse as soft robotics, machine learning, biomechanics, signal processing and control theory.

1) Ph.D. in biomedical engineering, electrical engineering, neuroscience, computer science or related fields
2) Adequate knowledge of linear algebra, Biomedical signal processing and Machine learning. As per DST Norms
3) High proficiency in Matlab and Python are mandatory.
4) Experience with acquisition and analysis of EEG/EMG
5) Experience in BCI or other neural prosthetics application
6) Working knowledge of ADS1299 evaluation board, OpAmps, EEGlab, Brainstorm and Fieldtrip are plus point
7) Working experience with EEG based (Upper/Lower Limb) exosuit/exoskeleton control will be plus point.

The post may be downgraded as per discretion of the Selection Committee if none of the candidate is found suitable for the post.

The candidates who are interested to apply for the above post should download Form No. IRD/REC-4 from the IRD Website (http://ird.iitd.ac.in/rec) of IIT Delhi and submit the duly filled form with complete information regarding educational qualifications indicating percentage of marks/division, details of work experience etc. by e-mail with advertisement No. on the subject line to Prof. Lalan Kumar at email id: recruitment.jatc@gmail.com and cc it to lkumar@ee.iitd.ac.in

IIT Delhi reserves the right to fix higher criteria for short-listing of eligible candidates from those satisfying advertised qualification and requirement of the project post and their name will be displayed on web link (http://ird.iitd.ac.in/shortlisted) alongwith the online interview details. Only short-listed candidates will be informed for online interview. In case any clarification is required on eligibility regarding the above post, the candidate may contact Prof. Lalan Kumar at email id: lkumar@ee.iitd.ac.in

5% relaxation of marks may be granted to the SC/ST Candidates. In case of selection of a retired/superannuated government employee, his/her salary will be fixed as per prevailing IRD norms. 6% relaxation of marks may be granted to the SC/ST Candidates. अनुप्रधान जाति / अनुप्रधान जनजाति के उम्मीदवारों को अंकों की 5% भी दी जा सकती है। The last date for submitting the completed applications by e-mail is 16/02/2022 by 5.00 p.m.
